

ARIHORUHANGA VINCENT

Procurement & Supply Chain Specialist

PROFILE

A work motivated student with a bachelor's degree in procurement and supply chain management continuing my development by seeking experience in the field so that I can leave a lasting mark on the procurement and supply chain management field. A quick learner, displaying strength across a wide range of skills in particular: research, analysis, critical thinking and problem solving. In terms of results and objectives, I have pro-active attitude, and I am always on the look for a way of stimulating productivity, working enthusiastically and speak eloquently with belief in leadership beginning from my self-personality. I strive to intentionally be a better version of myself daily and uphold the value of integrity and consistency highly.

HOBBIES

Basketball, Reading.

EDUCATION

Makerere University Business School
2025

Bachelor's degree in Procurement & Supply Chain Management.

WORK EXPERIENCE

SLB | Procurement Intern [September 2024 to Date]

Managing procurement across East and Southern Africa, handling supplier onboarding, vendor management, and contract and price negotiations. Using SAP and Ariba for purchase orders, bidding, and tendering, while implementing catalog procurement for efficiency and cost savings.

Uganda Revenue Authority | Procurement Intern [April - August 2024.]

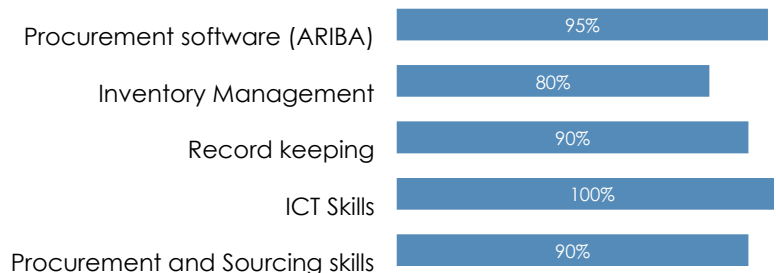

During my internship at URA, I learned and applied various procurement methods, learned and practiced best record keeping practices. I supported in drafting and administering procurement contracts, got acquainted with high value procurements and learned to maintain accurate records of all activities.

National Water & Sewerage Co | Procurement Intern [April to September 2023]

Worked in a government owned public utility company to provide professional procurement services for various departments and projects. Provided a full range of services, including supplier selection, contract negotiation, purchase order management, inventory control, and procurement compliance.

Centenary Rural Development Bank & Centenary Bank Main stores Rubaga
[April 2022 to September 2024]

SKILLS

COURSES

Teen Code Holiday Program | ANDELA, UGANDA *February 2019 – May 2019*

At Andela Uganda's coding holiday program, I developed essential skills in coding, web design, and ICT. The intensive curriculum covered programming languages, responsive web design, and key ICT principles. Through practical projects, I enhanced my problem-solving and teamwork abilities, solidifying my technical proficiency and passion for the tech industry.
